ABOUT

MDPs @ GIM

The MDPs at GIM provides an intense and transformative learning experience designed to fit the requirements of seasoned mid-career executives. The programmes will equip the participants with various critical capabilities to succeed in an ever-changing global business environment.

Our programmes are designed and delivered to meet the needs of the executives who have the drive to lead innovations, be the champions of change and have the passion for solving complex business challenges. Our programmes are led and facilitated by experienced faculties who share with the participants their research- driven insights and their knowledge of current industry best practices

WHY

Making Business Sustainable: Quality of life and Assessment of health risk of employees

This program will address the rapid changes heralded by COVID-19 in the world of work; especially in the domain of Occupational Health and Safety Management. In fact, the sustainability of a business depends on organisational as well as employee health and safety.

The training program will:

- a) Sensitise participants about the importance of health risk assessment, role of technology to ensure employee health
- b) Facilitate HR managers to contribute towards organisational health.

PEDAGOGY

The pedagogy will be experiential in nature and will include an eclectic mix of lecture, group work and presentation.

PROSPECTIVE PARTICIPANTS

The program will prove beneficial for HR managers from public and private sector organisations who play a key role in ensuring the health of both workplace and employees.

LAST DATE FOR NOMINATION

In order to finalize contents and confirmation of speakers, participants need to send their nominations latest by

January 10, 2021.
