

GOA INSTITUTE OF MANAGEMENT

BIG DATA ANALYTICS

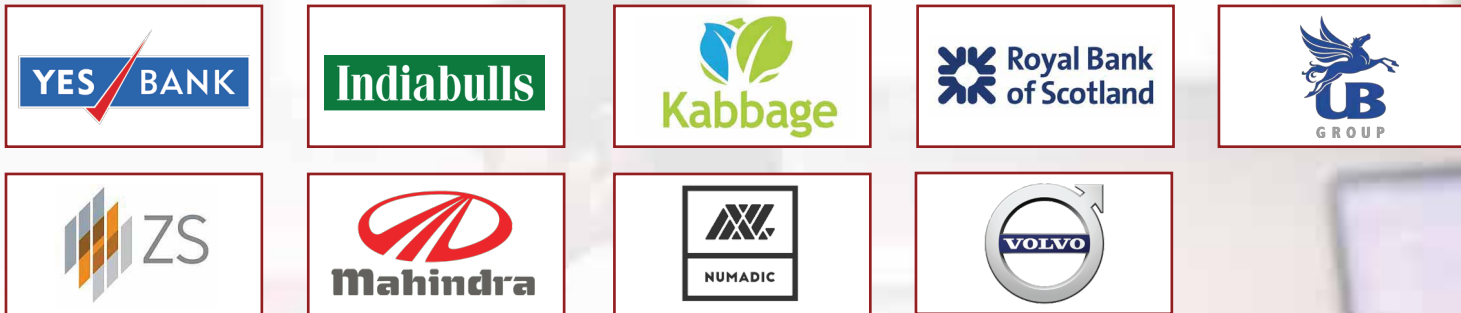

SUMMER PLACEMENT INTERIM REPORT

Launched in 2018, the **SAS-powered PGDM (BDA)** is the first full time-residential Programme in Management in India devoted to a new paradigm of Big Data Analytics. In its first year itself it has been ranked one of the top ten Analytics programmes in the country by Analytics India. It evoked huge interest among companies who have already picked up one-third of the students before schedule.
