# PGDM-HCM INTERIM PLACEMENT REPORT BATCH OF 2017-19 (DECEMBER 2018)

---

The **HCM programme** since its inception in 2013 has attracted leading healthcare companies in India and abroad for recruitment. The average placement package of our HCM programme is the highest in comparison to all other institute offering **healthcare/hospital management programme** in India. We have been able to retain most of our past recruiters while adding many new recruiters every year.
