

Placement Report 2016-17

HEALTHCARE MANAGEMENT PROGRAMME - GIM

Since the beginning, placement of students under healthcare management programme has been 100% with average package taking a giant leap every year. This year also the HCM final placement has been successful with **100% students placed** with average package increasing by 24% compared to last year. We had 27 companies participating in the recruitment drive, 14 of which were first time recruiters. Students from diverse demographic and educational background were praised by the recruiters for having a high level of proficiency in healthcare domain. For the first time, all sub-sectors of healthcare participated in the recruitment drive i.e.

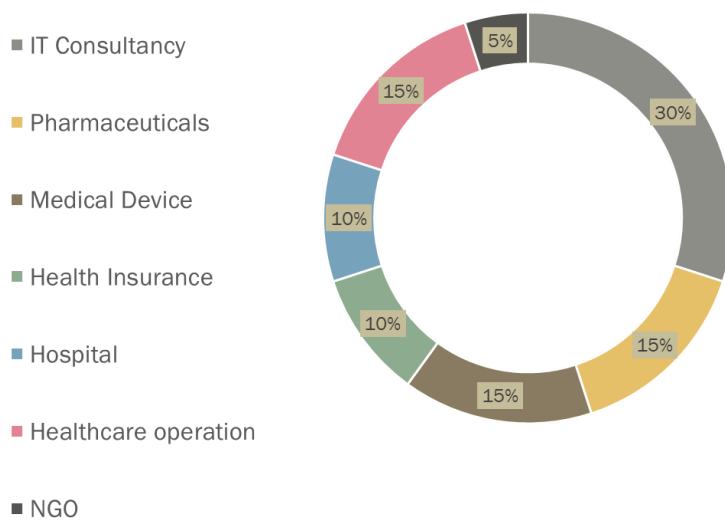

Healthcare IT, Medical device, Pharmaceutical, Hospital, Insurance, Operations and New startups.

Many of the top recruiters also took expert sessions in their field and enlightened the students with their practical experiences.

The placement process, which was conducted by the Placement Office, entailed the below activities

- Shortlist on Application forms/SOPs
- CV based shortlist
- Campus recruitment
- Remote Interviews through Skype/Telephonic interviews
