Except for IIM Shillong, rest of the IIMs did not participate in our Survey. Although some of the IIMs had participated in our Survey and provided data in the past, but this year since they did not provide data and as we do not believe in perception-based results, they were not rated and ranked. GHRDC believes that IIMs are amongst the Top B-Schools in the country and hope that they will participate in the Survey in future for the sake of stakeholders' knowledge and setting the benchmark for other B-Schools in the country.
